

PT. B.D. Sharma Post Graduate Institute of Medical Sciences, Rohtak
Multidisciplinary Research Unit (MRU)

MRU/2024/ 57

Date: 25/10/2024

To

The Principal/HOD
College/ Department of _____
Pt. B. D. Sharma PGIMS/UHS
Rohtak, Haryana

Subject: Call for Proposal-VI for Research Projects under MRU.

Please bring to the notice of all the faculty members in your college/department to send the concept research proposals in the enclosed format (soft copy available on the college website) directly to the office of the undersigned. A copy of the concept proposal may also be submitted through email at mru@uhsr.ac.in. The last date of submission of proposals is 25th November, 2024.

Nodal Officer (MRU) 25/10/24
Pt. B. D. Sharma PGIMS
Rohtak

MRU/2024/58 - 62

Date: 25/10/2024

A copy is forwarded to the following for information and necessary action:

1. P.A. to Vice Chancellor, Pt. B. D. Sharma UHS, Rohtak, for kind information of the Hon'ble Vice Chancellor, please.
2. Secretary to Registrar, Pt. B. D. Sharma UHS, Rohtak, for kind information of the Ld. Registrar, please.
3. P.A. to Director, Pt. B. D. Sharma PGIMS, Rohtak, for kind information of the Worthy Director, please.
4. P.A. to Dean Academic Affairs, Pt. B. D. Sharma UHS, Rohtak, for kind information of the Dean Academic Affairs, please.
5. Guard File

Nodal Officer (MRU)
Pt. B. D. Sharma PGIMS

APPLICATION FORM

A. BASIC INFORMATION

1. Details of Principal Investigator

Name:

Designation:

College/Department:

Name of the institution:

Date of birth:

Age (years):

Gender:

Mobile no.:

Any alternative mobile no.:

Official e-mail id: abcd@uhsr.ac.in

Alternative/personal e-mail id: abcd@gmail.com

ORCID id:

GCP certification: YES/NO

If Yes, please attach proof

2. Details of Co-Investigator/s

Name:

Designation:

College/Department:

Age (years):

Gender:

Mobile no.:

Official e-mail id:

Alternative/ personal email id:

ORCID id:

GCP certification: YES/NO

If Yes, please attach proof

B. PROJECT RELATED INFORMATION

1. Title of the project:

2. Type of study:

- | | |
|---|---|
| <input type="checkbox"/> Basic Sciences | <input type="checkbox"/> Socio-behavioral |
| <input type="checkbox"/> Prospective | <input type="checkbox"/> Public health |
| <input type="checkbox"/> Retrospective | <input type="checkbox"/> Epidemiological |
| <input type="checkbox"/> Observational | <input type="checkbox"/> Biological samples/ data |
| <input type="checkbox"/> Interventional | <input type="checkbox"/> Cross-sectional |
| <input type="checkbox"/> Clinical trial | <input type="checkbox"/> Any others, specify |

3. Duration of project:

4. Single/ multicentric (Please tick appropriately):

5. For multicentric study, please mention the name/s of collaborating sites:

6. Registration with Clinical trial registry of India (CTRI): YES/ NO

7. CTRI registration number:

FORMAT OF RESEARCH PLAN

Title of the proposed research project: should be concise, sufficiently descriptive and informative. Title may include study design such as randomized controlled trial; an observational study; a case-control study etc.

Summary (up to 200 words): A structured summary should contain the following subheadings: Background, Rationale, Objectives, Methods, and Expected outcome/s.

Budget proposal with break-up.

The budget should be allocated as below mentioned broad sub-heads:

S.No.	Particulars	Justification	Estimated budget (INR)
1.	Contingency- Recurring		
2.	Contingency-Non-recurring		

3.	Others (if any)		
	Total estimated budget (INR)		

List of abbreviations

Introduction and brief review (up to 1000 words):

- What is known about the topic (state the background information to adequately present the problem citing previous relevant research);
- What are the existing gaps in knowledge (problems with previous research and uncertainties);
- What is the relevance of the research question (mention how the research question addresses the critical barrier(s) in scientific knowledge);
- What is the justification of research (how the findings of the proposed study will provide solution to uncertain issues, generate new information and influence practice guidelines or public health policy).

Research question and hypothesis: to be clearly mentioned

Aim and objectives: Define the objectives clearly and in measurable terms; mention as primary and secondary objectives if necessary (Avoid too many objectives).

Methodology: include the following sub-heads:

- *Study design and settings:* details of study design whether descriptive, analytical, experimental, operational, a combination of these or any other; settings where the study will be conducted.
- *Study population:* adequate description of study population including eligibility criteria.
- *Study conduct:* detailed description of how the subjects will be recruited, allocation to study arms, follow up, study related procedures etc. A flow chart indicating the study path may be provided.
- *Intervention:* a detailed description of Intervention (drug/device/behavioral intervention/ any other).
- *Sample size calculation:* Details of sample size and/or power calculation should be described with references where needed.

Data collection and statistical analysis plan.

Ethical justification of the study.

Expected outcomes (up to 100 words).

Future plans based on expected outcomes (if any) (up to 100 words).

Timelines (Gantt chart): Details of activities to be carried out along with timelines during preparatory phase, data collection, analysis & report writing to be provided.
