**Subject: Call for Proposals for Post Graduate Dissertation Support (PGDS) Scheme**

Dear Sir/Madam,

To encourage quality thesis work embodying valuable and original research at the post graduate level, it has long been desired that Post Graduate students be provided financial assistance to carryout PG dissertation. University has taken a considerate view on this matter and it has been decided that PG student dissertation work may be funded through Intramural Research Grant Scheme. A grant worth Rs. 50,000/- may be provided per thesis/dissertation.

You are requested, to bring the enclosed call for proposals and guidelines for the same in the notice of all Post Graduate Students working in your department so that the interested PG students can apply for the grant. Further, it may kindly be brought in the notice of all concerned that:

- i. No proposal will be accepted if it is not signed by the Supervisor and forwarded by Respective Head of the Department.
- ii. Supervisor has to ensure and will be responsible for utilization of the Grant.
- iii. Grant Utilization Certificate must be submitted at the time of the submission of the project completion report.
- iv. Preferably, the paper assigning out of thesis work may be submitted along with the dissertation and
- v. IEC committee approval must be attached.

Thanking you,

  
Dr. Dhruva Chaudhry 29/01/24  
Sr. Prof. Incharge (Research)  
Professor in-charge, Research Cell
